

The Banta Unified School
Board of Trustees
Is pleased to announce that

Rechelle Pearlman

Will upon approval become the new Superintendent
Beginning July 1, 2021

The Board of Trustees will take action to approve the hiring of Rechelle Pearlman at their next regular Board Meeting on June 10, 2021, at 7:00 pm at the school district office.

In her career, Mrs. Pearlman has served as a site principal for the River Islands Academies, as well as a site principal for the Banta Elementary School. Mrs. Pearlman taught for twenty-three years in the Tracy Unified School District, teaching 3rd through 6th-grade students. Although she misses the classroom, Mrs. Pearlman still stays connected to students, by focusing on equity to eliminate barriers to student success and achievement. Mrs. Pearlman will be completing her Ed. Doctorate in Organizational Leadership, from Grand Canyon University this fall.

Mrs. Pearlman states that she has loved working in the River Islands Community and is looking forward to serving Banta Unified School District and its community for many years to come. Promoting student success through collaboration with families, community members, and staff will be her focus as Superintendent to the Banta Unified School District. “Rechelle Pearlman has been an excellent educational leader while she served as principal at both the STEAM Academy in the River Islands area, and before that at Banta Elementary School,” expressed Joshua Anderson, Banta Elementary School District Board President. “We are so pleased that she has agreed to come lead the District that she has been an integral part of for so many years.”
